

SUMMER SYMPOSIUM JULY 20-21, 2018

SUNDAY'S COMING!

Effective Tools for Music and Worship Leaders in the Local Church

There are many ways that people choose to worship, and there are many different styles of music that are used in a worship service. When planning for a worship service, it is also imperative that all of the right tools are available for the service. These tools include words and music, soloists, choirs (if available), words of scripture, presentation software, proper working audio/visual equipment, and instruments like the keyboard, organ, piano, drums, guitar, etc.
